

Very robust work light for hard use at construction sites. Light-weight MBerg has socket and

6m connection cable for daisy chaining lights.

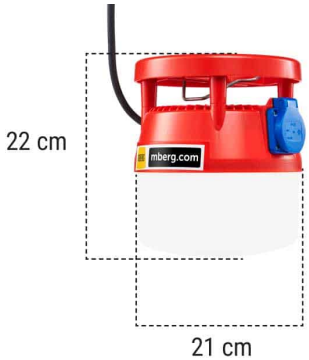

PÄÄOMINAISUUDET

- The heart of MBerg light is LED module that is of our own design. All of the components on the module are very light and small and therefore even hard impact won’t make them tear off or break.
- There is a good hook on the light from which it is easy to hang. You can also fasten the light from the holes in the handle. Stock colors are orange and blue but you can also get MBerg lights with your company’s own colors.
